

REPUBLIC OF VANUATU PORT VILA, VANUATU	REPORT OF SAFETY INSPECTION	Port:
		Date/Time Commenced:
		Date/Time Completed:
		Inspection Type: Annual Special

INSTRUCTIONS**VESSELS SUBJECT TO INSPECTION**

All Vanuatu vessels are subject to periodic inspections. The Deputy Commissioner may appoint Marine Safety Inspectors to board and examine, or inspect, Vanuatu vessels. Owners, operators, and masters shall present each such vessel for boarding when required and cooperate fully with the Marine Safety Inspectors. Failure to cooperate is a marine offense subject to severe penalties. Vessels subject to periodic inspection may also be subject to a special inspection as provided by Vanuatu Maritime Regulations.

INSPECTION REPORTS

This form is to be completed in duplicate. The original and copy are to be signed by both the Marine Safety Inspector and the vessel's Master (or his representative). One signed copy shall be delivered to the Master and retained on board as part of the vessel's documents. One signed copy shall be sent to VMSL, New York. The Master shall produce the vessel's copy at the request of any Marine Safety Inspector, or at the request of any person acting on behalf of the Deputy Commissioner.

PART A. GENERAL

1. Name of Vessel	2. Official No.	3. IMO No.
4. Call Sign	5. Type of Vessel	6. Tonnage, GT
7. Tonnage, NT	8. Year Built	9. Class Society
10. Last Port	11. Next Port	
12. Operators' Name/Address:		
Telephone/Fax Number/E-Mail:		

PART B. DOCUMENTS (For reference, see Vanuatu Maritime Services MARITIME BULLETIN 107 Annex)

SECTION 13. Name of Certificate	Issuance Date	Expiration Date	Last Annual Survey
a. Safety Equipment Certificate			
b. Safety Radio Certificate			
c. Safety Construction Certificate			
d. Load Line Certificate			
e. International Ship Security Certificate (ISSC)			
f. International Oil Pollution Prevention Certificate (IOPP)			
g. International Air Pollution Certificate (IAPP)			
h. International Tonnage Certificate (1969)			
i. Safety Management Certificate (SMC)			
j. Noxious Liquid Substances Certificate (NLS)			
k. Gas Carrier/Chemical Tanker Certificate of Fitness			
l. USCG Compliance Certificate			
m. Cargo Gear Register			
n. Civil Liability Certificate in accord with 1992 Convention			
o. Class Certificate for Hull			
p. Class Certificate for Machinery			
q. Radio Station License (issued by Vanuatu)			
r. Continuous Synopsis Record (CSR)			
s. Other			

Name of Vessel	Official Number
----------------	-----------------

PART C. PUBLICATIONS (Indicate if on Board)

SECTION 14. Name of Publication	Y/N	Year of Issue	Name of Publication	Y/N	Last Edition
a. Vanuatu Maritime Act & Regulations			n. SOLAS 1960 (where applicable)		
b. Vanuatu Articles of Agreement			o. SOLAS 1974/1978, as amended		
c. Vanuatu Maritime Bulletins (101 – 110)		Nos.	p. Lifesaving Appliance (LSA) Code		
d. Oil Record Book			q. Col. Regs. 1972, as amended		
e. Garbage Record			r. MARPOL 1973/1978, as amended		
f. Official log Book			s. Load Line Convention 1966		
g. Medical Guide, latest edition			t. IMDG Code, with supplement		
h. Medical Log Book			u. Bulk Cargo (BC) Code, with supp		
i. International Health Regulations (1969)			v. International Grain Code		
j. ICS Gas/Chem/Tanker Safety Guide			w. ISM Code / Safety Mgmt. System		
k. Tanker/Terminal Safety Guide (ISGOTT)			x. STCW 95, as amended (where app.)		
l. Stability Book (Ship Specific)			y. Fire Safety Systems (FSS) Code		
m. Cargo Securing Manual			z. ISPS Code		

PART D. CHARTS, PUBLICATIONS, RECORDS, BRIDGE & ENGINE ROOM LOG BOOKS (Indicate if on Board)

SECTION 15. Title	Y/N	Last Correction/Entry	Year Issued	Remarks
a. Notice to Mariners		Last Issue:		Record of Receipt kept? Yes No
b. Chart List or Catalog				Country:
c. List of Charts Aboard				
d. Navigational Charts				
e. Pilot Charts				
f. Sailing Directions				
g. Light Lists		Last Issue:		
h. Radio Aids to Navigation				
i. Tide and Current Tables				
j. Navigation Tables				
k. Nautical Almanac				
l. Bridge & Engine Log Books				Language:
m. Bridge & Engine Bell Books (not required if auto bell logger fitted)				Language:
n. Compass Error Book				Deviation:
o. Chronometer Rate Book				
p. Radar & Radar Maintenance Log				
q. Intl. Code of Signals				
r. Watchkeeping Inst. (STCW Ch. 8)				
s. Master's Standing Orders				Posted and signed? Yes No
t. Master's Night Order Book				
u. IAMSAR Manual (Vol. I – III)				Edition (#):
v. IMO Ship's Routeing Manual				Edition (#):
x. AMVER Participant				Instructions Aboard? Yes No
y. RPM/Speed Table				Posted? Yes No
z. Maneuvering Characteristics				Posted? Yes No

General Remarks:

Name of Vessel	Official Number
----------------	-----------------

PART E. NAVIGATIONAL AIDS, ETC.**SECTION 16. Equipment**

Equipment Type	Fitted (Y/N)	Oper (Y/N)	Remarks
a. GMDSS			Sea Area: A1 A2 A3 A4
b. Radar #1			
c. Radar #2			
d. A.R.P.A.			If not fitted, describe equipment used
e. GPS			
f. Loran C			
g. Omega/Decca/SatNav			
h. Radio Direction Finder			Last Calibrated by a Qualified Adjuster: Last Bearing Check:
i. Depth Finder			Graph Y/N Visual Display Y/N Spare Rolls Y/N
j. Magnetic Compass			Last Adjusted by a Qualified Adjuster:
k. Rudder Angle Indicator			
l. Speed/RPM/Pitch Inds.			
m. Course Recorder			Spare Rolls Y/N
n. Auto Pilot			
o. Signal Lights/Flags			Condition Good Fair Poor
p. Rate of Turn Ind.			Reqd on ships post 9/84, and 100,000 grt's and up
q. On-board Com. System			Describe
r. Satellite Com. System			Satellite A B C M
s. Float Free Satellite EPIRB (406 MHz)			Hex ID: Battery Expires:
t. Lifeboat Transceivers			(3) 2-way VHF Units
u. Radar Transponders			Batteries Expire:
v. Sextant (s)			
w. Chronometer (s)			
x. Navtex			
y. 2182 Khz Monitor			Tested Daily Y/N
z. Voyage Data Recorder (VDR)			Tested Annually Y/N Last Shoreside Service:
aa. Automatic information System (AIS)			Tested Daily Y/N
bb. Electronic Charting System (ECDIS)			In lieu of paper charts Y/N
cc. Ship Security Alert System (SSAS)			Tested Every three months Y/N

PART F. OFFICIAL LOG BOOK ENTRIES

SECTION 17. Entries	Y/N	Entries	Y/N	Entries	Y/N
a. Gear Tests (prior departure)		g. Helmsman/Lookout (Names)		n. Casualties/Accidents/Injuries	
b. Fire and Boat Drills (weekly)		h. Tank Soundings		o. Line Throwing Gun Drill (3 Mo.)	
c. Drafts on Arrival/Departure		i. Shift-Bridge to Remote Steering		p. Emergency Steering Drill (3 Mo.)	
d. Arrivals and Departures		j. Shift-Auto to Hand or vice versa		q. Security Drills (3 mo.)	
e. Positions and Times		k. Speed Changes		r. Other:	
f. Courses and Changes		l. Sea State and Weather Conditions		s. Other:	

General Remarks:

Name of Vessel	Official Number
----------------	-----------------

PART G. LICENSING

SECTION 18.

Vanuatu Maritime Act and Regulations require each officer to have a valid Vanuatu license including, where required by the Minimum Safe Manning Certificate, valid radio licenses. Failure to have Vanuatu licenses, and to have them posted under glass, may subject the vessel to a fine. Vanuatu has acceded to the STCW Convention and requires officers and appropriate crew to have valid STCW certificates. If the vessel's complement does not meet or exceed that prescribed by the MSMC, details should be noted for action by this office. List all Radio Licenses

*Complete only if the officer has no Vanuatu License, it has expired, or he is sailing in a higher capacity than authorized.

Name	VANUATU LICENSE INFORMATION							*HOME COUNTRY LICENSE INFORMATION

SECTION 26. Recommendations & General Comments (Add more sheets if necessary)

IMPORTANT NOTICE

Neither the inspection nor this report constitute a certification as to the seaworthiness of the vessel. They do not relieve any person or organization from their respective obligations to ensure that the vessel is maintained in a seaworthy condition. Masters must review all entries before signing the report and discuss any findings with which they do not agree.
